B. Improve this paragraph. Circle each misspelled word and write it correctly on a separate sheet of paper. Then replace each underlined phrase with a spelling word. You may add, subtract, or change word endings.

It was getting late, and we still hadn't completed preparations for that night's victory celebrashun. If everyone worked together and helped each other, I knew we could finish by the time it got dark. Mike recomended that we separate into teams. Sean and Suzanne started refrigerating the drinks, while Greta and Paul put knives and forks on the buffet table. As a way to make sure that nothing happened, Jorge steadied the ladder for pat while she hung the banners. Finally, we taped up the signs we had writen, and hoped we had not forgotten anything. It was a really nice feeling to stand back and see how much the appearance of the room was changed for the better by all of our work.
