PARENT OR GUARDIAN

(If the applicant is under the age of 18, a parent or guardian must also read and sign this agreement.)

As the parent or guardian of this student, I have read the "Terms and Conditions for Use of District Twelve Access to the Internet" and "Acceptable Use Regulations for Use of District Twelve Access to the Internet". I understand that this access is designed for educational purposes. I also recognize it is impossible for School District Twelve to restrict access to all controversial materials, and I will not hold it responsible for materials acquired on the network. Further, I understand that the school district accepts no responsibility for supervision if and when my child's use is not in a school setting. I hereby give my permission to issue an account for my child and certify that the information contained on this form is correct.

SPONSORING STAFF

(Must be signed if the applicant is a student)

I have read the "Terms and Conditions for Use of District Twelve Access to the Internet" and "Acceptable Use Regulations for Use of District Twelve Access to the Internet" and agree to promote this agreement with the student. Because the student may use the network for individual work or in the context of another class, I cannot be held responsible for the student's use of the network. As the sponsor, I have instructed or facilitated instruction for the student on acceptable use of the network and proper network etiquette.

ACCEPTABLE USE REGULATIONS FOR USE OF DISTRICT TWELVE ACCESS TO THE INTERNET

Personal Safety and Privacy

1. Users will post no personal contact information about themselves or others. Personal information includes address, telephone number, or other personally identifiable information.
2. Student users will not agree to meet with someone they have met online without their parents' approval and participation.
3. Users will promptly disclose to their teacher, administrator, or other school employee any message they receive that is inappropriate or makes them feel uncomfortable.
4. Users will not re-post a message intended to be private, personal, or for limited audience without the permission of the person who sent the message.

Illegal Activities

1. Network accounts are to be used only by the authorized owner of the account for the authorized purpose.
2. Users will avoid the inadvertent spread of computer viruses by following district virus protection procedures.
3. Users will not make deliberate attempts to disrupt the technology system performance or destroy data by spreading computer viruses or by any other means.
4. Users will not attempt to gain unauthorized access to the Districts system or any other system through the district's system or go beyond their authorization access. This includes attempting to log in through another person's account or access another person's files. These actions are illegal even if only for the purpose of "browsing".
5. Users will not use the district system for any activity that is profane or obscene, that advocates illegal acts, or that advocates violence or discrimination toward other people.
6. Users will not use the district system for any other criminal act such as arranging for the sale, purchase, production, or trade of alcohol, drugs, weapons or other controlled substances; engaging in criminal gang activity disruptive to school programs; threatening the safety of others; or theft of records or information.
7. Users will not use the district's system for private commercial or for-profit purposes, product advertisement or political lobbying.
8. Users will not download programs or large files without permission.

Inappropriate Language

1. Users will not post information that, if acted upon, could cause damage or pose a danger of disruption.
2. Users will not use obscene, profane, lewd, vulgar, rude, inflammatory, threatening, or disrespectful language.
3. Users will not engage in personal attacks including discriminatory, prejudicial, harassing, slanderous, or libelous comments.

Plagiarism and Copyright

1. Users will not plagiarize works that they find on the Internet. Plagiarism is taking the ideas or words of others and presenting them as if they were original to the user.
2. Users will respect the right of copyright owners. Copyright infringement occurs when an individual reproduces a work that is protected by a copyright without permission of the copyright holder.
3. Users will cite works in an appropriate format.
